

MISSA 2017

INTRODUCTION TO WOODCARVING – Rick Wiebe

Student Supplies:

Students do not need to bring anything at all.

All materials needed will be provided - extra materials will be available for purchase.

Sufficient tools to do the work will be on loan for the duration of the course. Tools will be available for purchase. Students should NOT buy knives tools etc. ahead of time. Those that will be offered will be good ones at a better price than are available elsewhere. If participants have knives and carving tools already, they of course, are welcome to bring them. The instructor can take cash, Visa or Mastercard.

Power tools will not be used in this course.

Special clothing: closed toe shoes (sneakers are OK) NO FLIPFLOPS or sandals.

If students have a cut resistant glove for their non knife hand, they can bring it. I will have some for them to borrow.

If they have a pocketknife for learning to sharpen - bring it. Do not buy one in anticipation of the class - it will be less expensive to get one from me and it will be a better knife besides.
